

Greetings!

I'm writing to you today to ask for your help in sponsoring Shippensburg's second annual TrailFest. In 2017 the decision was made to combine two successful events to create a larger community-oriented event at the newly minted Shippensburg Station, in the heart of the greater Shippensburg area, between downtown Shippensburg and Shippensburg University. With the combination of Cumberland Valley Rail Trail Council's 'Race, Run, Ride, & Ramble' racing event and Shippensburg Historical Society's 'BrewFest' TrailFest was born as an outdoor community celebration in the middle of spring. Filled with race opportunities, food trucks, music, art, and for the 21+ crowd the option of a beer tasting we want TrailFest to have everything it needs to entice people to go out and have fun together. This year we're taking things even further by incorporating a children's section to TrailFest with activities for the smaller members of the family. Run by non-profit organizations and volunteers, this event relies on the support of people like you to continue to be a success.
